For all your building and plumbing services that includes brickwork, plastering, skimming, tiling, paving, painting, painting, drywalls. Roofing, waterproofing, geyser installation, unblocking drains, leak detection etc

Business Profile

CS Construction and Projects Pty Ltd, bravely entered the competitive construction industry with high confidence from the director Steven Chimpeni who has a wealth of experience that spans for 10 years and has demonstrated history of managing and taking on projects of all sizes, from small repairs to brand new homes and everything in between.

As **CS Construction and Projects Pty Ltd**, we specialise in building, renovations and plumbing services that includes brickwork, plastering, skimming, tiling, paving, painting, painting, drywalls. Roofing, waterproofing, geyser installation, unblocking drains and leak detections. We also do minor electrical repairs.

We take pride in offering brilliant customer service, ensuring your satisfaction every step of the way. Our client peace of mind matters to us, and we are dedicated to providing seamless and reliable solutions for all your building and plumbing needs. We pride ourselves on being customer focused with unwavering quality and results driven solutions. No project or task is considered too small nor too large - our commitment extends to every project, ensuring excellence.

Our vision is striving for excellence through our commitment to quality workmanship and honest service delivery. Our mission extends beyond quality service—we're dedicated to educating and empowering our staff to excel in the ever-evolving plumbing industry.
